

Back to School Supply List

4th Grade OVO

We are thrilled to welcome you back to school. To help start your child off right, please look at the supplies that we would like your child to bring to school. Please reach out to your teacher if you have any questions or need support gathering these supplies. We've included "wish list" and "optional" supplies too.

If you are able to donate more or another set of "something" from our list to our class, that would be much appreciated! Please send the "extras" in another bag to school with your child.

Please, no pencil boxes. Pencil pouches fit much better in the desks.

Thank you for your support!
