

Orangevale Open Spring Fundraiser Sat. April 5th

Class Creations & Class Baskets Information

Class Creation: An item that each class (students, teacher, and parents) makes for the Spring Fundraiser live auction. Think quilt, art, DIY lawn game, household decor, anything that shows your class's creative side.

Class Basket Silent Auction Item: Each class is asked to put together a Silent Auction item/basket for The Spring Fundraiser. Auction baskets can be very creative and can include any number of things and themes. It also doesn't have to be a basket, think tickets to sports games, wine tasting, or family activities! If you need ideas Check out the QR codes to get inspiration or contact the PTSO for guidance.

How? Your class will need to select a volunteer/s to lead the collection of the Class Basket Silent Auction item/s and the making of your Class Creation. Class Creations must include the participation of the students from your class in some way. Many classes have already budgeted money for the class creation, but if your class hasn't, donations from the class can be used.

When? The Fundraiser is on Saturday April 5th, 2025.

March 1st: Give name & contact for class lead of projects to Committee Rep

March 20th: We will need: 1) a description of your Class Creation and Class Baskets, 2) The estimated value of your basket/item 3) any other important information about your creation and basket

April 1st: Both items will need to be completed and ready for collection or drop off. Class Creations can be stored by the PTSO or can be dropped off the day of the event during set up hours. Baskets/Silent Auction Items will need to be dropped off with a Board member especially if they have alcohol in them.
